**Winter Cover Crop Stewardship Agreement**

Date \_\_\_\_\_

**BETWEEN THE CO-OPERATOR:** \_\_\_\_\_

AND

**THE DELTA FARMLAND AND WILDLIFE TRUST**, a non-profit, community based, charitable society, whose mission is to promote the preservation of farmland and associated wildlife habitat in the Fraser River delta through sustainable farming and land stewardship (referred to hereafter as "DF&WT").

**WHEREAS:** The Co-operator and DF&WT have agreed to cost share the establishment of clover, winter cereals and/or spring cereals for the purposes of soil conservation and wildlife habitat enhancement in the Municipality of Delta, in the Province of British Columbia.

**THE CO-OPERATOR WILL:**

1. Plant a cover crop at a seeding rate appropriate to the crop type by an appropriate planting date (see attached cover crop fact sheet) within the fields identified on Schedule A of this agreement and return this form to the DF&WT office by **October 15, 2019**.
  - Seed spilt/blown from a combine during grain harvest that fulfills DF&WT management criteria, is eligible as a cover crop under the Cereal Habitat Enhancement Pilot arm of the Winter Cover Crop Stewardship Program. Residual grain fields matching these criteria should be enrolled separately from this agreement.
2. Allow DF&WT to monitor fields for wildlife use from October 15, 2019 to March 31, 2020.
3. **Ensure that plow down of the cover crop does not occur before March 31, 2020** unless DF&WT is advised of and agrees to an earlier plow down date.
4. Indemnify and save harmless DF&WT from and against any and all actions, suits, claims, demands, damages or losses, howsoever arising as a result of the establishment and operation of the Winter Cover Crop Program.

**THE DELTA FARMLAND & WILDLIFE TRUST WILL:**

- 1) share the cost of establishing cover crops within the Municipality of Delta, BC by paying between \$50.00 and \$55.00/acre for cover crops planted under the guidelines of the DF&WT Winter Cover Crop Program. Cost-share rates and planting guidelines can be found in Appendix A of this form and cooperators should thoroughly review the cost-share rates for 2019.
- 2) reduce the reimbursement by the same percentage for all acreage applied for, in the event that applications received by October 15, 2019 exceed available funds for the program.
- 3) make payment in late December 2019, after all agreements have been received with completed information and signatures from the Co-operator, and after the DF&WT has had the opportunity to verify all the acreage applied for.

**Note:** This document consists of 2 or more pages depending on how many pages are required to complete Schedule A. Please indicate the number of pages (including this page) contained in this agreement below as well as on every page of the agreement.
