Cover Crop Information

Please answer the following questions as accurately as you can. We understand that plans may change between now and when cover crops are seeded but we need this information to the best of your knowledge now to determine cost-share rates. We will ask you for maps and final field specific information later in the season.

What do you farm? (primary commodity): _____

Number of acres of cover crops you plan to enroll in the DFWT Cover Crop program this year: _____

Species of cover crop you plan on seeding: _____

Seeding date - number of acres to be seeded before Sept. 1st: _____

Seeding date - number of acres to be seeded after Sept. 1st: _____

Do you plan on harvesting some or all your cover crops for feed in the spring (if yes, please indicate how many acres will be harvested): _____

Estimated number of acres of cover crops planned to be planted in 2026: _____

Estimated number of acres of cover crops planned to be planted in 2027: _____

DFWT shares some of the field data collected during our monitoring programs with funders. Please indicate below if you give permission to include the geographical location of your field with the associated data (typically this would be results from soil sampling). If you do not give consent, the field sampling data will be shared without being connected to a specific geographical location.

Do you consent to DFWT sharing the coordinates of your fields associated with field sampling data with funding agencies: ☐ **Yes** ☐ **No**

I agree not to receive reimbursement or exchange for rent payment for the cover crop fields enrolled in the DFWT Cover Crop Program from any other program or agreement, including the Agriculture Wildlife Program.

TERMS AND CONDITIONS

WHEREAS: The Cooperator and DFWT have agreed to cost share the establishment of summer or fall seeded cover crops for the purposes of soil conservation and wildlife habitat enhancement in Metro Vancouver and the Fraser Valley, in the Province of British Columbia.

THE COOPERATOR WILL:

- plant a cover crop at a seeding rate appropriate to the crop type by an appropriate planting date (see Cover Crop Program brochure) within the fields identified on Schedule A of this agreement.
- maintain and manage the field as a cover crop from the planting date to March 31st of the following year and **ensure that plow down** of the cover crop **does not occur before March 31, 2026**, unless DFWT is advised of and agrees to an earlier plow down date.
- plant cover crops for a three-year period.
- allow DFWT to monitor fields for wildlife use, vegetation growth and/or soil quality from October 1, 2025, to March 31, 2026.
- agree not to receive reimbursement or exchange for rent payment for the cover crop from any other program or agreement.
- indemnify and save harmless DFWT from and against any and all actions, suits, claims, demands, damages or losses, howsoever arising as a result of the establishment and operation of the Winter Cover Crop Program.

THE DELTA FARMLAND & WILDLIFE TRUST WILL:

- share the cost of establishing cover crops within Metro Vancouver and the Fraser Valley, BC, by paying a per acre rate for cover crops planted under the guidelines of the DFWT Cover Crop Program. Cost-share rates and planting guidelines can be found in the Cover Crop Program Brochure, and cooperators should thoroughly review the cost-share rates for 2025.
- make payment in December 2025, after all project details have been received with completed information and signatures from the Cooperator, and after Field Technicians have had the opportunity to verify all the acreage and waterfowl pressure.

DEMOGRAPHIC DATA COLLECTION SURVEY

Respondent Consent

The Province of British Columbia supports inclusive and increased representation of underrepresented groups. By providing the information below, you are helping to improve the delivery of programming. At this time, the questions focus on three identity groups (Indigenous, women, and youth), and do not cover all potential groups who are underrepresented in the agriculture sector. We plan to expand the focus to other underrepresented groups in future. Your personal information is collected under section 26(c) and 26(e) of the Freedom of Information and Protection of Privacy Act for the purposes of evaluating applications and for the planning and evaluating of the S-CAP Ministry Program. The demographic information you provide is voluntary and will not be used to assess your eligibility for this program. Each individual understands the purposes of the collection, use, and disclosure of their demographic personal information. The information you provide will be shared with the federal government to fulfill the provincial obligations under the Sustainable Canadian Agricultural Partnership (S-CAP) bilateral agreement. It may be combined with other survey or administrative data sources and used for statistical, research and evaluation purposes. If any information is published, your responses will be combined with the responses of others so that you cannot be identified. If you have any questions about the collection of your information, please contact the Director of Sector Insights and Corporate Initiatives at alstats@gov.bc.ca.
